Director of Public Works

### DELEGATION OF AUTHORITY FISCAL YEAR 2010-11

On August 15, 2006, the Board adopted a Resolution under the authority of State law and local ordinance 2.18.022 to enable the Director of Public Works to transfer and convey storm drain improvements or drainage systems, including the underlying easements or other property rights, on behalf of the Los Angeles County. The Director of Public Works, also acting as Chief Engineer of the Los Angeles County Flood Control District, is authorized to accept the transfer and conveyance of storm drain improvements and drainage systems on behalf of the Los Angeles County Flood Control District. As part of the Resolution, the Director of Public Works is to report all acceptances and transfers to the Board at the end of the fiscal year.

Attached is a summary of the storm drain systems accepted and transferred by the Director of Public Works during Fiscal Year 2010-11.

If you have any questions or need additional information, please contact me or your staff may contact Anthony Nyivih at (626) 458-4900 or [anyivih@dpw.lacounty.gov](mailto:anyivih@dpw.lacounty.gov).
